

THE SIDETRACKER ADVANTAGE

SIDETRACKER MULTI-DIRECTIONAL FORK LIFT TRUCK HIRE FLEET

Sidetracker has in-stock at its manufacturing site a stock of existing machines for short term rental.

We can offer four way reach trucks and four way siders. A wide range of models is available with capacities to 6 tonnes and lift heights to 9 metres.

Three and four wheeled versions are available, all are suitable for outside usage, with the 4 wheeled machines being suitable for sites with more difficult conditions including slopes.

Trucks are available for short term, or long term hire. We can also offer contract hire following a full factory rebuild and fitment of a new battery.

Please call Sidetracker on telephone number 01246 810655 if you have any questions at all.
